THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the inhabitants of the Town of Westmoreland in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said town on Tuesday, the tenth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To hear the reports of agents and auditors and take any action thereto.

4. To see if the Town will vote to apply for State Aid for State Road Construction and raise and appropriate the sum of $837.00 (the State contribution $1,674.00) or vote for class 5 assistance for class 5 roads and raise and appropriate the sum of $488.28 (State contribution $1,953.00). If S. A. is voted it must be expended on the East Westmoreland road.

5. To see if the Town will vote for snow removal and sanding on either class 5 or 6 roads or take any other action relating thereto, raise and appropriate money for the same.

6. To see if the Town will vote to apply Calcium Chloride or any other dust laying material to any of the gravel sections of the class 5 roads and raise and appropriate money for the same.

7. To see what sum of money in addition to what is required by law the Town will vote to raise and appropriate for Highways and Bridges.

7a. To see if the Town will vote to raise and appropriate a sum not to exceed $3,000.00 to be used with State funds for relocating and rebuilding the bridge and approaches over the brook near the John Atherton place so called.

8. To see what sum of money if any the Town will raise and appropriate for upkeep of cemeteries, etc.

9. To see what sum of money if any the Town will vote to borrow and use in order to obtain State or Federal funds.

10. To see what disposition the Town will vote to make of the income of the Johnathan Lord fund.

11. To see if the Town will vote to raise a sum of money for the support of the Library.

12. To see if the Town will vote to authorize the selectmen to borrow money in anticipation of taxes.

13. To see if the Town will vote to collect the taxes in the future the same as was voted in 1941 or take any action relating thereto.

14. To see if the Town will vote to raise and appropriate the sum of $60.00 to the Monadnock Region Association of Scenic New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, calling attention to the resources and natural advantages of the Town, in cooperation with the other thirty-seven towns in the Monadnock Region.

15. To see if the Town will vote to raise and appropriate the sum of $400.00 for white pine blister rust control in cooperation with State Forestry and Recreation Department.

16. To see if the Town will vote to discontinue the road leading from the barn of Roy Bosworth to the cellar hole formerly known as the Calvin Hall place, also from the said mentioned road to Route 12, or discontinue any part of same above mentioned road or take any action relating thereto.

17. To see what sum of money if any the Town will vote to raise and appropriate for additional fire protection due to war emergency.

18. To see what sum of money if any the Town will vote to raise and appropriate to provide watchmen and additional police protection due to the war emergency.

HEALTH REPORT

The fourth annual "Clean Up" day was held in May with the usual good cooperation from families throughout the town. This is believed to be not only a step toward cleaner homes and therefore improved health conditions but also reduces the fire hazard to a considerable extent.

There have been a few cases of whooping cough in town during the past year. Aside from this there have been no contagious diseases.

RUTH H. BURT,
Health Officer.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the school district in the town of Westmoreland qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall, in said district, on the 7th day of March 1942 at 2 o'clock in the afternoon, to act upon the following subjects:

1. To choose a moderator for the coming year.

2. To choose a clerk for the ensuing year.

3. To choose a member of the school board for the ensuing three years.

4. To choose a treasurer for the ensuing year.

5. To determine and appoint the salaries of the school board and truant officer, and fix the compensation of any other officer or agent of the district.

6. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.

7. To choose agents, auditors, and committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alterations in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the district will vote to continue the contract with the Union School District for the payment of high school tuition at Keene High School.

10. To see if the district will vote to continue the contract with the Brattleboro High School for the payment of tuition.

11. To see if the district will vote to raise and appropriate the sum of $350 for special music instruction in all of the schools of the district.

12. To transact any other business that may legally come before said meeting.

Given under our hands at said Westmoreland, this 7th day of February, 1942.

EDWARD C. GREENE,
LAWRENCE J. JOHNSON,

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Westmoreland:

I hereby submit my annual report as Superintendent of Schools.

ORGANIZATION AND ENROLLMENT

Three new teachers were elected to fill vacancies on the teaching staff. Miss Sara Lamb was elected to fill the vacancy in the primary grades at the Village which was caused by the resignation of Miss Lund. Miss Lamb graduated from the four year elementary curriculum at Keene Teachers College. Mrs. Gertrude Putnam is the new teacher at the Depot school. Mrs. Putnam, after graduating from Keene Teachers College, taught for one year at Milan, New Hampshire. During the Christmas vacation, Mrs. Barrett found it necessary to resign on account of ill health. Mrs. Dorothy Dunn, who had been substituting in this position, was appointed as regular teacher for the remainder of the school year. Mrs. Dunn is a normal school graduate with a background of several years of successful teaching experience.

In the assignment of preference ratings, schools have been classified as a necessary productive agency. This recognition is given to facilitate the process of procuring equipment and supplies which are necessary for their maintenance. Thus is emphasized the importance which education has in the program for the defense of the principles of democracy. The present emergency places on our schools a two-fold responsibility; namely:

1. The general education and training of pupils to produce intelligent and helpful members of American society.

2. The development of attitudes toward democracy and the attainment of the basic knowledge and skills necessary for the realization of our immediate objectives.

The democratic pattern for education provides that mental and emotional attitudes shall be well balanced and shaped by intellectual understanding. The responsibility of our schools should be extended to serve adults as well as the younger pupils. It is recognized that the public schools must assume some responsibility for the thought and well being of all people capable of profiting from instruction—either academic or practical. The democratic principles of freedom of thought and action may be safely entrusted to a generation of people who are prepared in our schools for this responsibility.

Care must be exercised that the long range program of our schools shall not suffer from the pressure of other important objectives demanding immediate attention and support. Competition from expanded industrial defense preparations has already caused a scarcity of qualified teachers. The larger towns and cities will undoubtedly seek to maintain their school standards by looking to the districts which are on a low salary schedule for candidates to fill their vacancies. Other school costs are advancing and are bound to increase still more. Some of this increase may be offset by practicing measures of strict economy when consistent with efficiency. Although certain temporary adjustments in the use of instructional materials will be compelled by the present emergency, no retrenchment in our general educational program should be made voluntarily because of misguidance in measures designed to affect economy. Your children are entitled to the best instruction that modern education can provide within the range of local facilities and reasonable financial support. The welfare of each local community and the future of our country depend upon the attitudes developed in well organized and supported public schools.

The new edition of the Elson-Gray reading system has been adopted as the basal reading program for the three primary grades. These books are in use this year in Grade 1. It is hoped that new books may be purchased each year until all three grades are equipped with this modern program. The system is complete with reading readiness material, pre-primers, primers, graded readers, work books, and supplementary devices.

The possibility of danger threatening the lives of the civilian population in the modern type of warfare has placed a new responsibility on the schools. Each teacher has been informed of the general principles governing the organization of schools preparatory to an air-raid attack. Plans have been outlined in each school to take care of the pupils either in the school building or in the immediate vicinity of the school. All plans providing for an air-raid emergency refuge follow the recommendations of the State Defense Council and will have the approval of the superintendent and local air raid warden.

A full day institute for the rural school teachers of this area was held in the town hall on Thursday, November 6. The institute was arranged in cooperation with Miss Phila Griffin, Elementary School Agent of the State Board of Education. The speakers secured for this program included Miss Ethel Kimball of Boston University; Miss Marjorie Bateman of Keene Teachers College; Su-

perintendent Almon Bushnell and Miss Doris Williams, the teacher at East Westmoreland. Miss Williams demonstrated the possibilities of correlating pupil activity with subject matter in the elementary program. She used as a background for her illustrations, a school project depicting the modes of living common to the primitive peoples of this and other lands. On November 7, nineteen school superintendents from the central and southwestern area of the state met at the Vilas school at Alstead for an all day conference.

HEALTH

88 pupils were inspected.
12 pupils were underweight.
6 pupils showed poor posture.
69 pupils were in need of dental care.
14 pupils were recommended to have throat and nose examination by a physician.

Dental clinics were held at the Depot School, February 25th and 26th, 1941 and June 15th, 1941. East school, March 3rd, 1941, Corner school November 6th, 1941, South village school December 4th and 5th, 1941, with work done as follows:

Number of pupils treated,	56
Total number of cleanings,	41
Total number of extractions,	32
Total number of silver fillings,	113
Total number of porcelain fillings,	16

The bills for this work was paid at the Depot by the parents and P.-T. A.; at the East, half of the bill by parents, and balance by the P.-T. A.; the corner the P.-T. A. paid the entire bill; at the South Village each pupil paid fifty cents, balance was paid by P.-T. A. 10 pupils had their teeth cared for by their own dentist.

1 tonsil case was treated at clinic.
1 pupil had eye treated at clinic.

Hearing tests with audiometic will be conducted during February.

MUSIC

This year for the first time the benefits of special instruction in vocal music have been extended to the pupils in all schools of the district. Because of the public interest manifested in a general program of this nature, the school board decided to use for this purpose a portion of unassigned adjustment credits, a check for which had been received from the State Department of Education. This amount was supplemented by substantial contributions from the Parent-Teachers Associations of the district.

Mrs. Mildred Whitcomb of Keene, a teacher with much experience in school music, was employed to devote one period each week to instruction in each of the Westmoreland schools.

This program has been organized this year on a trial basis. I hope that it may be accepted as a regular part of the school curriculum and that provision will be made at the annual school district meeting to continue with it.

As far as is possible, Mrs. Whitcomb's program will be designed to give practically identical music instruction to the different age groups in each of the four schools. Through the many phases of listening and activity, the course will aim to stimulate an interest in and appreciation for good music. Each child will be given as many musical experiences as possible. To many people "teaching singing" is just that and no more, but in our school music program that is just one of the many branches. As a result of systematic training, all normal children should be able to sing by the end of the third school year. The supervisor will endeaver to develop sweet, pure, natural tones without which there can be no beautiful singing. In the intermediate grades two and three part singing will be a regular part of the singing practice. Special attention will be given to changing boy voices and "monotones". In all grades much attention will be given to breathing, tone, enunciation, rythm, shading, and interpretation.

Theoretical study will be systematically outlined and presented—also some rythmic work—from play and

simple dance steps to folk dances. Much study of music appreciation is planned.

So far this year since November 5, there has been some accomplishment in improving the primary non-singing groups. Attention has been given to tone, enunciation, pitch, and time accuracy. A start has been made in two part singing, some time has been devoted to a study of theory and drill for ear-training. Brief practices on the Christmas Carols and a study of Indian music are examples of the possibilities of correlating the study of music with the other subjects and activities of the school.

Westmoreland school children are well prepared to participate in national defense by the purchase of United States defense savings bonds. Substantial amounts from the balances on their Thrift Savings Accounts have been applied to the purchase of these bonds.

The Thrift Savings System which operates in the schools of the district in cooperation with the Walpole Savings Bank, affords an excellent opportunity to instruct children in lessons of thrift and to impress them with the value of regular and systematic saving. It is hoped that still larger amounts from these established funds will be transferred to the purchase of Government Bonds.

BUILDINGS AND EQUIPMENT

The following repairs and improvements were made at the school buildings during the year:

At the village school, repairs were made on the bulkhead and basement window. The desk tops were waxed. A new flag pole bracket was supplied. Repairs were made on the drain from the septic tanks. A piano was given to the school by Mrs. Arthur Obre. Playground apparatus was purchased with funds raised for this purpose.

At the depot school a new section of boundary line fence was built. Repairs were made on the plastic ceiling of one of the entrance hallways. Six primary chairs were bought and a new primary reading table was constructed. A new Franklin circulation heater was installed. A Vic-

trola and library of records was given to the school by Mrs. E. R. May. The roof of the Corner school building was shingled. The ceiling and woodwork of the classroom were painted. Repairs were made to the plaster in the entry way.

At East Westmoreland repairs were made to the folding partition between the class and activity rooms. The teacher's desk was varnished. Repairs were made on the roof and the ridge cap was painted. A new three-burner gas plate was purchased and installed by the P.-T. A.

Six new fire extinguishers were purchased and placed as follows: two each at the village and East Westmoreland schools and one each at the Depot and Corner schools.

STATISTICAL REPORT 1940-1941

Total registration,	112
Average membership,	90.24
Percentage of attendance,	91.5
Cases of tardiness,	94
